

# Pennsylvania Concrete Conference 2015 Presentations

Wednesday, February 18, 2015

<b>SESSION 1</b>	<i>Moderator: Charles J. Niederriter, Golden Triangle Construction Company</i>
	<b>Welcome</b> -John M. Becker, P.E., ACPA Pennsylvania Chapter
	<b>PennDOT Updates &amp; Initiatives</b> -R. Scott Christie, P.E., PennDOT Highway Administration
	<b><u><a href="#">Pennsylvania Turnpike Project Initiatives - Interstate 76 &amp; the Southern Beltway</a></u></b> -Michael D. Shaak, P.E., Pennsylvania Turnpike Commission & Anthony R. Ciarico, Trumbull Corp.
	<b><u><a href="#">ACPA National Updates &amp; Initiatives</a></u></b> -Gerald F. Voigt, P.E., ACPA National
<b>SESSION 2</b>	<i>Moderator: Steven L. Koser, P.E., PennDOT Bureau of Maintenance &amp; Operations</i>
	<b><u><a href="#">State Transportation Innovation Council -Concrete Initiatives</a></u></b> -Michael R. Bonini, PennDOT Planning & Research & Karyn Vandervoort, FHWA Penn Division
	<b><u><a href="#">Two-Lift Construction Overview</a></u></b> -Kurt D. Smith, P.E., Applied Pavement Technology, Inc.
	<b><u><a href="#">Development of Concrete Overlays</a></u></b> -Randell C. Riley, P.E., ACPA Illinois Chapter
<b>SESSION 3</b>	<i>Moderator: Mellissa J. Batula, P.E., PennDOT Bureau of Project Delivery</i>
	<b>Accelerated Bridge Construction</b> -Russell Dickson, P.E., PennStress
	<b><u><a href="#">New Mixer Systems Technologies</a></u></b> -Troy Jenkins, Northeast Pre-stressed Products Corporation
	<b><u><a href="#">Concrete Pipe Updates</a></u></b> - Rex Busa, Pennsylvania Concrete Pipe Association
	<b>Pavement Toolkit Research</b> - T. Reed Miller, Massachusetts Institute of Technology
<b>SESSION 4</b>	<i>Moderator: William L. Kovach, P.E., District 12-0</i>
	<b><u><a href="#">How We Got Long-Lasting Concrete</a></u></b> -Dennis A. Morian, P.E., Quality Engineering Solutions
	<b><u><a href="#">How to Get Long-Lasting Concrete</a></u></b> -Peter Taylor, P.E., National Concrete Pavement Tech Center
	<b><u><a href="#">Status of Long-Life Concrete Pavement Specifications</a></u></b> -Lydia Peddicord, P.E., PennDOT BOPD

Thursday, February 19, 2015

<b>SESSION 5</b>	<i>Moderator: Terry D. Dreher, Pennsylvania Turnpike Commission</i>
	<b><u><a href="#">Anchoring Dowels &amp; Other Repair Innovations</a></u></b> - Mark B. Snyder, Ph.D., P.E., ACPA Penn Chapter
	<b><u><a href="#">Use of Pulverized Limestone in Concrete</a></u></b> -Paul Ingram, P.E., PennDOT & Eric D. Wetzel, P.E., BASF
	<b><u><a href="#">Concrete Cylinder Care</a></u></b> -Ken Crank, Pennsylvania Aggregates & Concrete Association
	<b><u><a href="#">Updates on Calibration of MEPDG</a></u></b> -Dr. Julie Vandenbossche, Ph.D., P.E., University of Pittsburgh
<b>SESSION 6</b>	<i>Moderator: Joseph S. Robinson, P.E., PennDOT Bureau of Project Delivery</i>
	<b><u><a href="#">FHWA's Sustainable Pavements Program</a></u></b> -Gina Ahlstrom, P.E., Federal Highway Administration
	<b><u><a href="#">PennDOT Pavement Initiatives</a></u></b>
	CPQI Initiatives & Accomplishments—Joseph S. Robinson, P.E., Bureau of Project Delivery
	Pavement Type Selection—J. Michael Long, P.E., Bureau of Maintenance & Operations
	Pub 242 Updates -Josh Freeman, Bureau of Project Delivery
ASR Mitigation -Robert Horwhat, P.E., Bureau of Project Delivery	
RCC Specification Status -Marcy Lucas, Bureau of Project Delivery	
Concrete Pavement Warranties -Paul Koza, P.E., District 10-0
